Range attendant duties consist of opening and closing the trap and skeet houses, pulling the birds, and cleaning the houses, and keeping the range clean. If a range officer discovers that he cannot work at the club on his assigned date, he should immediately contact another officer on this list and request a trade (*phone numbers are located in the trailer*). If the range officer is not successful, he should contact Gary Scheibel (618-692-0862), Bill Retzlaff (618-444-1959), or Ben Anstedt (618-588-2254) to inform them of the problem.

Work hours on Saturday are 8:00 a.m. to 12:00 noon. Work hours on Sunday are 9:00 a.m. to 1:00 p.m.

All money collected (**\$2.50 per round**) and any donations must be given to one of the above three range officers who will promptly turn it in to the club treasurer. We are requesting that all fees be paid at the time of shooting, and not mailed in unless absolutely necessary. If necessary, please mail range fee money to our club treasurer, Rick Carter (1919 Duke, Edwardsville, IL 62025).

Range officers must insure that all safety rules are adhered to, including wearing of ear and eye protection.
